

DUAL MEMBERSHIP FAQ'S

WHO IS ATHLETICS NSW (ANSW)?

Athletics NSW is the 'senior' body for Athletics in NSW and has a range of events which cater for people from 11 years through to 100+ years. Athletics NSW works closely with Little Athletics NSW (LANSW) to cater athletes of all ages.

WHAT IS A DUAL MEMBERSHIP?

- * Dual membership provides a pathway for U12 – U17 LANSW members to join an ANSW club and participate in ANSW events.
- * OneSport Clubs are LANSW + ANSW clubs that have come together to form ONE club.

ATHLETICS NSW CLUB?

- * Pick an ANSW club during your LANSW registration. OneSport Clubs will be identified or use the list on the website to identify if your LANSW center has a relationship with an ANSW club.
- * There is no need to register with ANSW or an ANSW club once your LANSW rego is done.

UNIFORM?

- * You must wear an ANSW uniform to compete at ANSW events.
- * If you are in a OneSport Club the uniform will be the same.
- * Otherwise contact the ANSW club to arrange a uniform.
- * Age patches and center numbers are not required.

BIB NUMBERS?

- * ANSW requires a bib on the front and back of your uniform.
- * You will receive a dual number between 35 000 and 45 000 on two cloth bibs.
- * Put one on your LANSW uniform and the other on your ANSW uniform.
- * You can pick up a third bib at ANSW events to wear so that your ANSW bib will have two.
- * If you are OneSport the uniform is the same so just attach the bibs.

ANSW EVENTS?

- * With the help of clubs, ANSW hosts track and field events between September and March and cross country/road running, including a host of fun runs across the state, between April and November.
