Para Squad: With the complexities of Para Athletics we haven't been able to create a Para Standards Matrix that is fair & even across all the classifications and ages, so in conjunction with Athletics Australia's Paralympic Program and ANSW we will look to identify athletes in events that will feature in the 2019 World Para Athletics (Junior & Senior) Championships based on their performance between the below mentioned dates.☒

Note: ANSW may also invite additional eligible athletes and their personal coaches based on advice from Athletics Australia National Youth Event Coaches and High Performance Management.

Age is calculated as at 31 December 2018. The qualifying period for performances for the 2018 ANSW TTP entry standards will open on 12th October 2017 and will go through until 19th March 2018 (only legal performances in ANSW, AA or international sanctioned events will be recognised).☒
