

ATHLETICS NSW AND LITTLE ATHLETICS NSW DUAL ATHLETE MEMBERSHIP – 2017/18 SEASON

WHAT IS THE DUAL ATHLETE MEMBERSHIP?

In partnership with Little Athletics NSW, and as part of a commitment to seeing athletics as 'one sport in one's lifetime', Athletics NSW is able to offer a 'dual' membership to any registered Little Athletics member U12-U17 for free. That essentially means that you can compete in both Little Athletics NSW and Athletics NSW events, and engage in all that is offered by both sporting bodies.

Not only does the Dual Athlete Membership allow you to run all year round, it also offers exciting opportunities to make new friends, discover new role models, improve your skills and abilities as well as meet and compete alongside NSW's top athletes.

For the 2017/18 Season, the Dual Athlete Membership will take on an easier and faster process

CURRENT PROCESS

In previous seasons, athletes who were interested in taking out a Dual Athlete Membership were required to register twice, both with Little Athletics and Athletics NSW. This season, all dual eligible Little A's members will automatically receive a Dual Athlete Membership with Athletics NSW. This will happen through the Little A's registration portal, with the key steps of the process listed below.

HOW WILL IT WORK?

- 1) Dual aged Athletes will take out their Little Athletics Subscription through the Little Athletics Portal
- 2) During their registration on the LANSW portal, athletes will be prompted to select an Athletics NSW Club (senior club)
- 3) All athletes will receive their bibs from their LANSW centre which will be the same one they will wear at Athletics NSW events.
- 4) Senior Clubs will be in contact with Dual Athletes regarding the benefits of their new membership, as well as their training and competition opportunities.

BENEFITS
