

How to register for the Schools Nitro Challenge

Thank you for registering your school for this year's Nitro event! Below are a few steps to help you through your registration, and successfully enter your school's teams into this year's event.

Page 1 - Entry Types

You must select the "School Team Entry" entry type, and check to confirm you have read and understood the terms of entry. You will not be able to progress to the next screen without making these two selections.

Page 2 - Information

Please enter your school's details for your registration as per the template below:

On the information page, you are required to insert an email address and password to register your teams. Please insert your school email address, and then create a password (if you have not previously used this registration system).

Please enter your school's name in the format above in the "First Name" and "Surname" categories.

Please enter the best contact mobile number for your school in the field provided, as well as the relevant address details for your school.

Please enter the Competition Number "0" in the field provided (the system requires a number to be provided in this section).

Page 3 - Questions

Please answer all relevant questions on the "Questions" page. All questions that are marked with an asterisk (*) need to have an answer provided before you can progress to the next page of the registration.

Page 4 – Selecting Event Category + Event

Please see the below images to guide you through the final process of the registration:

This is the first window you will see – please click the "Add Event" button

The screenshot shows a navigation bar at the top with links: Home, Confirmed Entrants, Resend Receipt, Online Entry Guide, Event Time and Cost, On the Day, Additional Information, Training Tips, and Login. Below the navigation bar is a progress indicator with four steps: 1 Entry Types, 2 Information, 3 Questions, and 4 Events. A red error message states: "A Minimum Of One Event Must Be Selected Before Registration Can Be Completed." Below this is a table with the following structure:

Event Category	Event	Price

At the bottom right of the table is a blue "Add Event" button. Below the table is a "Next" button with a right arrow.

A window asking you to select the "Event Category" and "Event" will show. Please select from the dropdown menu the single option available (i.e. "Sydney/Hunter Schools Nitro Challenge" and "Sydney/Hunter School Team Entry").

The screenshot shows the "Add Event" modal window. It has a blue header with the text "Add Event". Below the header are two dropdown menus:

- Event Category: * (Sydney Schools Nitro Challenge)
- Event: * (Sydney School Team Entry)

At the bottom of the modal are two buttons: "Cancel" and "Next" with a right arrow. The background of the registration page is dimmed, showing the same error message and table as in the previous screenshot. At the bottom of the page, it says "Powered By SportsTG".

After clicking next, you will come to the final window below, which is confirmation of your school's entry. Please click the next button at the bottom of the page.
