

NSW Athletics Youth Panel

Help us shape Athletics in NSW. Be a voice for our youth!

Athletics NSW and Little Athletics NSW are looking for young people aged between 16 and 24 years to become part of the NSW Athletics Youth Panel (NAYP). The exciting, new panel aims to provide young people an opportunity to share their ideas and participate in the decision-making process within the NSW Athletics community. The members will be responsible for providing the two state governing bodies with insights and opinions from the perspective of young athletes, coaches, officials and other roles within the sport. There is no one better to provide advice and make decisions regarding the youth, than the youth themselves. The NAYP will consist of no more than 10 individuals who will sit on the panel for a term of 2 years. The panel will meet at least twice per year for face to face meetings. Face to face meeting may take place at events days throughout NSW or at the Sydney Based Offices. Additional meetings will take place via teleconference.
